Distributing Food Relief Report

In June 2021 Cambodian Ministries for Christ distributed food relief to 60 families living in three different locations in Cambodia. Food distribution is partially funded by a Church in the United States

which helps families facing hard times. We bought and distributed food to 60 families. Each family received:

- 1) 55 pounds of rice
- 2) 4 pounds of salt
- 3) 6 bottles of soy sauce
- 4) 6 bottles of fish sauce
- 5) 1 box of instant noodles
- 6) 10 cans of sardines.

The families receiving food live in six different villages. Some are famers, some recycle bottles and cans, and some are laborers for people who need their service. Sometime they work from dawn to dusk. They average \$2 per day. Sometime they have no income and no food on that day.

Cambodian Ministries for Christ and the families thank everyone in the United States churches who send money to help our people in Cambodia. You have given our people hope and put a smile on their faces. Most importantly you give them the ability to live. Thank you very much from the bottom of our hearts. We pray you will continue to send money for food to help our people in Cambodia in the future.

May God bless you and your ministry in United States.
